Thank you for boarding your pet at **Family Animal Medicine**. Our boarding facility is indoor, air-conditioned and heated. All dogs are walked a minimum of four times each daily. All boarding animals are fed Science Diet brand dry pet food (unless provided by client).

- ✓ Oral medication may be given to your pet at \$2.00 per administration.
- ✓ Injectable medication may be given to your pet at \$5.00 per injection during business hours, \$10 per injection after business hours.
- ✓ All boarding animals must have a current yearly exam with a FAM veterinarian, must be current on vaccines (Distemper, Rabies, Bordetella/Kennel Cough), and have a negative fecal within the last six months.
- ✓ Any pets with fleas or ticks will be treated at the owner's expense.
- ✓ If a pet refuses our dry food, canned food will be supplemented at the owner's expense.
- ✓ Pets that experience medical problems during their stay will be examined and treated at the owner's expense.
- ✓ If your pet appears stressed or anxious, we will treat with appropriate medications for their comfort at owner's expense.
- ✓ Dogs staying three or more nights will receive a bath at no charge the morning of discharge.
- ✓ Dogs staying less than three nights can receive a bath for \$17 upon request. I want a bath
- ✓ Nail trims are not included with baths, but are available for \$17 upon request. I want a nail trim
- ✓ We will attempt to contact you via your emergency contact number and/or email if any concerns or problems arise during your pet's stay. Thank you for trusting our doctors and staff with your furry family member!
